

Storth Youth Provision Consultation - 2021

The initial youth provision consultation took place with Year 6, at Storth Primary School, on Tuesday 2nd November 2021.

Consultation is vital to the work we do in terms of working alongside young people and is part of an ongoing process.

The young people put forward some fantastic ideas and so far have requested an after-school youth provision for Thursday (or Friday) afternoons, from 3:30-5:30PM.

Heron Hall was the requested venue; however it is currently undergoing building work and alternative venues are being explored.

Once a new venue is confirmed, invitations will be dropped into Storth Primary School for an initial 'Pizza and Games Night'. These will be given to Year 6, with spares for them to distribute, throughout Storth and the surrounding villages, to their friends in Year 6/7/8.
